MEMORANDUM FOR THE CHAIRMAN, USIB

Subject: Research Studies Conducted by USIB Committees

1. The Special Annex to USIB-M-207 dated 28 March 1962 required the COMINT and ELINT Committees to conduct a review of the possibility that we would be forced in Third Party relationships [Redacted] [Redacted] to permit full and complete collaboration and complete sharing of end products and technical material. This charge was inherited by the SIGINT Committee.

2. The review has been continuous and conclusions have been reached periodically, most recently on 27 November 1962, that such a contingency is improbable.
